

# Business Developer Rock Star

## 6-month Internship starting in July, South of France

Groupe Adiona accompanies students with their future projects in France and around the world, everything from international internships, the J-1 visa, summer jobs in the USA, Au Pair opportunities as well as jobs and internships in France.

As part of the development of the Holingo program, Groupe Adiona is recruiting a trainee “Commercial School” to develop the offer of language holidays on our 100% web platform.

Holingo.com is a brand-new concept on the language stay market, it puts a student in direct contact with language schools.

If you wish to become part of this dynamic, rapidly growing company with a young multicultural team, come and join us! Discover our team here: <http://www.groupe-adiona.com/fr/le-reseau-adiona/#1>

### Why choose Groupe Adiona?

- ✓ You want to work in a startup environment and be part of a young multicultural team. The average age in the company is 26 years old and we have 7 different nationalities working together.
- ✓ You want to join a booming company with stable growth. In the last year our staff has doubled and we have expanded our office space.
- ✓ You want to discover life in the south of France and spend your free time in the sun, the sea or at a BBQ!
- ✓ Can you BBQ the perfect steak? Can you open beers with a cigarette lighter? Let us know about your hidden talents!

### Missions

The objective of the intern will be to provide the holingo.com platform with an offer of linguistic stays which is exhaustive, of quality and with the best commercial conditions.

- Recruitment of new language schools in the main English-speaking countries
- Management of the school back office: control of the entry of the offers, coaching of the school managers, animation of the themes.
- Contractual management and optimization of commercial conditions
- Setting up new support services for schools
- Management of a monthly dashboard + school communication

### Profile

- ✓ English speaking people
- ✓ Business school or commercial trainings
- ✓ Business & marketing profile, experience in managing partnerships
- ✓ Dynamism and enthusiasm!
- ✓ Knowledge of web platforms
- ✓ At ease with the management of a supplier + CRM back office
